EXPERIENCE

AppZoc
Aug 2016 - Feb 2017
IOS Developer Intern

- Worked hard, learned how to become a good IOS developer.
- This internship helped me get an actual job.
- Learned more by myself besides the training from trainer

Emstell Technology and Consulting
Mar 2017 - Present
Jr IOS Developer

- Worked hard to create applications with beautiful layouts and difficult functionalities.
- Implemented Cocoa pods and also created IB designable views, good with storyboard and auto layout.
- Also worked on JSON parsing using Alamofire, push notification and OTP.
- Apps :- Servicy, Musthashar Manager, QzWorld, Hobbies, Id Manager, dribble manager - https://itunes.apple.com/us/app/dribble-manager/id1313742149?mt=8

OBJECTIVES

Learn and work with RxSwift, Html 5/Css 3, TypeScript, Angular, Ionic, React Native.
Love programming and Mobile application Development, would never say no to a chance to learn more and do hybrid application development
